

# KRST UNITY CENTER

## CONTINUOUS FINANCIAL SUPPORT PROGRAM

Greetings and Hotep to our Family, Friends and Associates: We, your family at KRST, are sending out a profound "Call to Action" to those of you who have been positively touched by this magnificent institution. Please sign-up and make a financial commitment to KRST.

In keeping with the principles of MAAT, we know that it is important to support our most important and loyal Black institutions so we can remain healthy and empowered as we move forward. Within our conscious community we are diverse and free-spirited. Too many come and go through our institutions and forget that it's through the consistent funding of resources, specifically money, that we can provide excellence in giving back to our community. Therefore, it is incumbent on KRST to emphatically ask for your support, knowing that we must stay true to the omnipresence of the spiritual law of Thought-Word-Action.

Our Center promotes personal and spiritual growth as well as our history and culture. We currently offer:

- (i) weekly Sunday spiritual empowerment service at 10:30am.
- (ii) enlightening spiritual and cultural classes.
- (iii) Kemetic and other African language classes.
- (iv) private spiritual counseling.
- (v) information on community resources and opportunities for activism; and
- (vi) world renown scholars, healers and speakers.

We want to call forth into manifest a response from you for continuous and consistent support to this institution. For this institution to flourish, we need to have a minimum of \$12,000 per month from personal contributions.

**To achieve this, we need 50 Divine Creators to donate \$240/month.**

**75 Divine Creators to donate \$160/month.**

**100 Divine Creators to donate \$120/month.**

**125 Divine Creators to donate \$96/month.**

**150 Divine Creators to donate \$80/month.**

Create your own plan of support with these or any combination of the above.

Your regular contribution, whatever the amount you commit to, will provide a solid platform from which we can launch our expansive plans in service to NTR, to the ancestors, to our community, to you and to those yet to be born! For your convenience, we offer several contribution options. Please choose from one of the contribution methods below:
