THIS IS A STUDY OF THE REU NU PERT EM HRU OF THE MYTHICAL IMMORTAL—THE RISEN AMSY HERU UR HEKA WHO BECAME KING AMSY HERU UR HEKA, THE TIME TRAVELER—IN WORLD CULTURES & CIVILIZATIONS. IT STARTS WITH THE ARCANA OF THE RISEN AMSY HERU UR HEKA CA. 1.7 MILLION YEARS BCE IN NILOTIC ANCIENT ÆTHIOPIA SMAI TAWY TAMERA KEMET, WHICH IS COMMONLY KNOWN NOW AS ANCIENT UPPER & LOWER EGYPT. ITS WRITTEN RECORDS STARTED TO TRACK THE ARCANA OF THE GOD YAKUB CA. 4600 BCE.

Children of Shabazz: Shabaka Speaks! This work presents the Kamite Æthiopian ▲ African Descendants' Astrological/Zodiacal/Astronomical Mythology/Theology of Our Cosmic Creations in Cosmos: The Universe. This Mythological Story and its Cosmic Stories focus on The Ancient Nilotic Kamite Æthiopian African Tribe of Shabazz's outline on western cultures and civilizations' genesis and evolution prehistory and through historic world history. This outline culminates in the Rise & Fall Roman Empire.

Hannibal Ahmed holds a master's degree in World Prehistory and Global History: The Stories of Peoples, Cultures, Nations, and Civilizations on Cosmic Planet Earth. Starting in September 1958, his researches, investigations, and explorations have included several interconnected studies. An anthropological and archaeological approach to Africana Studies led to the original religious belief system of humanity. It is the Inner Æthiopian Africa natural genesis and development of religion or the faith of Earth's authentic humanity. The Most Ancient of Days: This faith is the foundation of the ancient Egyptian's religious inscriptions and *The Pyramid Texts'* religious perspective regarding its divine spiritual wisdom: The divine octave human soul's spark within the constitution of Ptah-Neb-Ankh Ur Heka within one's sevenfold emotional, physical human being heart-memory-mind-intelligence-spirit-soul within the materiality of the NTR: Netjer Neb-er-Djer Ur Heka or The All-in-All Source of the Cosmos' Eternal Life Essence. This very ancient religious belief system became a Kamite (Black) Nilotic Kemetic African way of knowing divine knowledge and divine spiritual wisdom. Studies in paleoanthropology, anthropology, the primordial typology, signs, and symbols of aboriginal and original humanity as well as in comparative world religion, religious mythology, theology, and the eschatology of human immortality help one to understand this Nilotic Kemetic African

way of knowing and understanding the cosmic/earthly natural genesis and development of divine knowledge and divine religious' wisdom. In September 1970, Hannibal started his studies on Ancient Upper and Lower Egypt (Ancient Kamite Æthiopia Smai Tawy Ta-Mery Kemet), Kemetology, and Egyptology. Dr. Yosef A. A. ben-Jochannan: Kemetologist, Nubianologist, and Egyptologist guided Hannibal's studies. Hannibal Ahmed's published works are *Introduction to Pan-Africanism: A Philosophy/Ideology for African Americans* and *The Honorable Messenger Elijah Muhammad's Message*.

Theme: Learn the Divine Knowledge of OneSelf—OneSelf's Divine Human Whole Total God-Spirit-Soul Spark In-Person—through King Amsy Heru's Divine Spiritual Wisdom.

The Reu Nu Pert Em Hru—The Ritual of the Chapters of the Coming Forth of the Mythical Immortal King Amsy Hru Ur Heka By Day: The Risen Amsy Heru of Ptah-Neb-Ankh later became the King Amsy Heru the Karast's Royal Sacred Sciences of Human Immortality in the Celestial Kingdom States of the Heavens or the Paradise of Eternal Human Life. It continues to live in post-modern world cultures and earth-wide civilization. The Children of Shabazz—Shabaka—Social Studies Education/World Prehistory & World History Course teaches students the prehistory and history on the Inner Æthiopian Africa natural genesis and development of the religion, religious mythology, theology, eschatology of human immortality, theocratic culture, and the theocratic civilization of Ancient Upper and Lower Egypt. Divine Ancient Egypt has preserved the oldest known religious ideas, doctrines, inscriptions, and religious texts in the world. This ancient belief system says that ancient Egyptian sages and saints possess the know-how to communicate with immortal human beings in Cosmos' the Celestial Kingdom States of the Heavens.

The student-researchers enrolled in the Children of Shabazz—Shabaka—Social Studies Education/World Prehistory & World History Course receive a copy of Hannibal Ahmed's Manuscript: *The Children of Shabazz: Shabaka*. This work presents the Divine Religious Wisdom of Ancient Upper & Lower Egypt: A Divine Light of the Old World and the New World. It comes in two parts: Part 1: *Tribe of Shabazz: Shabaka* & Part 2: *Children of Shabazz: Shabaka*. Part 1) *Tribe of Shabazz: Shabaka: The Study of the Reu Nu Pert Em Hru of the Mythical Immortal—The Risen Amsy Heru, who later became King Amsy Heru, the son of King Ausar & Queen Auset—within the Ancient Old Biblical Æthiopian World. The Arcana of the Risen Amsy Heru ca. 1.7 Million Years BCE. This Arcana's tracking of the God Yakub of Arabia arose ca. 4600 Years BCE. Tribe of Shabazz: Shabaka explores the authentic ancient Egyptian faith, knowledge,*

*and tradition of the mythical immortal, King Amsy Heru. King Amsy Heru is the original grand archetype and the religious template of King Jesus the Karast called the Christ. In the Holy Bible, the story of King Jesus the Christ, the Son of God, comes down to us contained in the Gospels of the New Testament. In Ancient Egypt or Ancient Æthiopia Smai Tawy Ta-Mery Kemet, the depictions of King Amsy Heru the Karast—the son of King Ausar the Karast—typifies and represents the Royal Risen Divine Octave Human Soul's Spark of the Grand Architect—Ptah: Creator, Ruler, Nourisher and Sustainer—of the Universe. Identified, this Divine Octave Human Soul's Spark depicts the Royal Immortal Emotional Physical Human Being Heart-Memory-Mind-Intelligence-Spirit-Soul as the Divine Kings' Eternal Spirit-Soul In-Person! The Resurrection & Ascension of this Divine Octave Human Royal Soul's Spark into the Kingdom States of Eternal Human Life happens only after the physical death or transformation of this actual Divine King Amsy Heru Ur Heka within the Transformed Person! The Pyramid Texts of this subject matter have come down to us outlined in The Reu Nu Pert Em Hru—The Ritual of the Resurrection & Ascension of the Immortal Human Spirit-Soul into the Paradise of Eternal Human Life. Translated into the English Language, it means The Book or the Chapters of Eternal Human Spirit-Soul Coming Forth by Day. This is King Amsy Heru's Sacred Utterances of the Divine Ritual: The Ritual of Coming—or Going—Forth into Eternal Human Life by Day. To reiterate, this Ritual depicts the Resurrection and Ascension of the Divine Octave Human Spirit-Soul's Spark into the Celestial Kingdom States of the Heavens: Cosmos. **Tribe of Shabazz: Shabaka** also explores the mythology, legends, religion, and theology of the God Yakub: The Diabolical World's Mind Embodied & Personified. This Diabolical World's Mind is relative to the Rule of Global Deception, Evil, Illusion, Trickery, Lies, and Wickedness. The Astrological/Zodiacal/Astronomical Mythology and Legends about the God Yakub came down to us in the Scriptures of the Torah, Hebrew Bible, the Holy Bible's Old Testament, and in the Holy Qur'an. **Part 2) Children of Shabazz: Shabaka's** studies explore the Worldwide Evidence of the Tribe of Shabazz's Descendants in the Ancient Old Biblical Æthiopian World of Ancient Kamite Æthiopia Smai Tawy Ta-Mery Kemet and other Kamite Ancient Nations of Africa, Arabia & Asia, and Western Eurasia (Western Europe), and the Western Lands now called the Americas Before and Since 4241 BCE.*

This work is the Kamite Æthiopian ▲ African Descendants' Mythological Ancient Kamite Æthiopian African Tribe of Shabazz's outline on western cultures and civilizations' genesis and evolution prehistory and through historic world history. The Honorable Messenger Elijah Muhammad's teaching and way constitute: 1) The inspirational theoretical outline driving the present researcher's Kamite Æthiopia Africana's prehistorical and historical Esoteric Biblical Kemetological-Khmtological Studies: Kamite Æthiopia Africa-Asia's eastern esoteric systems of unified esoteric religious mythology, mysticism, philosophy, and spirituality. 2) The Honorable Elijah Muhammad's wish is that African American Biblical Scholars and Scientists as Theologians become Our World's Holy Bible and Holy Qur'an Master Teachers! 3) Children of Shabazz: Shabaka Speaks' approach to the stories and studies of global comparative religions, mythology, mysticism, philosophy, and spirituality's researches, investigations, and explorations suggest that 4) Ancient Kemet's Divine Mind's stories captured and contained are The Ritual of the Reu Nu Pert Em Hru Ur Heka In-Person. These most Ancient Kemet's Divine Mind's stories about this Most Ancient Ritual of Arising Oneself's Cosmic Ma'at's Conscience-Consciousness Spiritual Intelligence In-Person constitute the foundation of the sacred stories captured and contained in the following two revered world's Sacred Scriptures: The Holy Bible and The Holy Qur'an! The Tribe of Shabazz "We are so far from what is natural for the Blackman that we think that the trial-and-error mode of operating of this civilization today is brilliance; when in fact, the incidental actions of the Original Blackman is considered SUPERNATURAL by today's standards." The Honorable Elijah Muhammed Explanation of Terms: Esoteric – Intended to be revealed only to the Initiates of a group; knowledge understood by a select few Cosmogonic Myths A creation myth (cosmogonic myth) is a symbolic narrative of how the world began and how people first came to inhabit it. In ancient Khmt, the people ascribed a degree of truth to the creation myths, unlike in contemporary societies. Ancient Kemeti Astrology is not the same astrology we use today because it had a different function: 1) Used for predicting planetary shifts that affected nature's cycles like how the moon affects the tides. 2) This information helped with planning agriculture, predicting droughts or famines, 3) Looking for auspicious days for rituals and deciphering omens 4) Most astrological work centered around the Nswt Bjtj (King) Decantic Astrology The ancient Kemetians divided the year into 12 months of 30 days each. Each month's division consisted of three parts of 10; each called a decan—each of three equal ten-degree divisions of a sign of the zodiac—36 decans = $36 \times 10 = 360$ days), plus five added days made the 365 days of a solar-based year.

Know ThySelf: The Ritual of the Reu Nu Pert Em Hru Ur Heka In-Person

Monday, March 1, 2021

The word decan's literal meaning is "ten days apart" or "group of ten." The start of the cycle began with the heliacal rising of the star Sirius. A small constellation of stars constitutes a decan. Every ten days, a new constellation would have a heliacal rising. A total of 36 decans were observed ($36 \times 10 = 360$ days). The extra five days were added at the end in the ancient Kemetic calendar and constituted a time out of time. Helical rising, by the way, means the rising of a celestial object at the same time as the sun, or it's first visible rising after a period of invisibility due to conjunction with the sun. The last setting before such a period is the heliacal setting. ANCIENT KEMETIC ZODIAC Charles Dupuis, a pre-French Revolution scholar, believed Kemetic astrology originated as far back as 14,000 years ago, 10,000 years earlier than the commonly accepted timeline 4000 BC.

The Dendera Zodiac portrayed the ecliptic of the sun, which refers to the circular path of the sun's orbit. The zodiac patterns' configuration indicated a strange feature; the constellations' arrangement shows a date that occurred at least 650 years before the construction of the zodiac itself. The solstice between Gemini-Cancer offers the position of an ecliptic that should have existed in 650 BC. French scholars believed the Dendera Zodiac to be thousands of years older than the Biblical date of creation. Ancient Kemetic Astronomy Ancient Kemetians.

The skywatchers observed two bright stars circling the North Pole. The Kemetians referred to those stars as "the indestructible." today, we know them as Kochab, in the bowl of the Little Dipper (Ursa Minor), and Mizar, in the middle of the handle of the Big Dipper (Ursa Major). Kemetians aligned their pyramids and temples toward the north because they believed their pharaohs became stars in the northern sky after they died.

To assure that a king would join the circumpolar stars, the pyramids were laid out facing due north toward the "indestructible" stars. They thought that aligning the pyramids toward the north gave the deceased pharaohs direct access to the northern sky. When one star was exactly above the other in the sky, astronomers could find a line that pointed due north. That alignment was only accurate for a few years, around 2,500 B.C.

The Wobble (The Precession) The Earth's axis is unstable. Our planet wobbles like a gyroscope for 26,000 years. Modern astronomers now know that the celestial north pole was precisely aligned between Kochab and Mizar only 2467 B.C. Before or after that date, the Kemetic astronomers would have been less accurate as they tried to mark true north. Nearly 4,500 years ago, in the year 2467 B.C., the "indestructible" stars lay precisely along a straight line that included the celestial pole. The Earth rotates from west to east on its polar axis and revolves about the sun in an elliptical orbit with the sun

at one focus of the ellipse. It completes one revolution in 365.2564 days. The inclination of the Earth (23½ degrees with the perpendicular to the orbital plane), combined with its revolution around the sun, causes the lengths of day and night to change and causes different seasons. Eschatology (in theology)

The word eschatology is derived from the Greek (last) and means the science of the last things.

Individual eschatology—the theology of the last things to come in the weighing of souls—threats of death, particular judgment, purgatory, heaven, and hell; collective eschatology, of the end of the world

What is the Rau Nu Pert em Hru (Kemetic Book of the Dead) Rau = words, teachings, liturgy Nu = of Prt or Pert = going out Em or m = as or through Hru or Heru = Spiritual Light of Enlightened Being (the Ntr Heru) Translated as: "The Word Utterances for Coming into the Spiritual Light (Enlightenment) or

Kingdom's celestial rulers long before the current Kemetic religious system was recognized.

"The Ogdoad were concerned with the preservation and flourishing of the celestial world, and later—as well as indirectly—the formation of the human race." Traces of their pantheon permeated down to

the next set of Netchru, correlating the formation of the human race with the Ogdoad's hands. The

Ogdoad predates the more commonly known Kemetic Netchru, such as Osiris (Isr), his sister-wife Isis

(Ist), and the emissary of the underworld, Anubis (Anpu). Considered to have come into creation before

the world did, the Ogdoad consists of four couples—eight individual forces—who balance one another

and the cosmos' nature.

Each pair correlated with one of the primary elements of the universe in the Kemetic belief system, i.e.,

water, air, light, and time. - Nun and Naunet represented the development and continued renewal of

the primordial waters of the universe. - Amun and Amaunet – invisibility represented by air - Kuk and

Kauket – meant infinite darkness - Huh and Hauhet, the last pair, were weighted with the responsibility

of maintaining eternity and infinity. - The first name is the divine masculine, with the second name being

its feminine consort, thereby creating an equal balance of genders: cosmic Ma'at's Conscience-

Consciousness Intelligence, Cosmology, Cosmogony, Astronomy. Astrophysics, and Quantum Physics.

In Ancient Khmt, Astronomy and astrology were, for them, two sides of the same coin. It was the study of correspondences between events in the heavens and events on Earth. Ancient Kemetic records of all subject matters show complete coordination and correspondence between Ancient Kemetians activities on Earth and the various cycles of the universe. Temple priests were assigned the task of observing the movements of all heavenly bodies. They were also responsible for noting other celestial events and interpreting them.

KNOW THYSELF

It is knowledge of self that the so-called Negroes lack that, which keeps them from enjoying freedom, justice, and equality. This belongs to them divinely as much as it does to other nations of the Earth.

It is Allah's (God's) will and purpose that we shall know ourselves. Therefore, He came Himself to teach us the knowledge of self. He has declared that we are descendants of the Asian black nation and the Tribe of Shabazz.

You might ask who this Tribe of Shabazz is? Originally, they were the tribe that came with the Earth (or this part) 66 trillion years ago when a great explosion on our planet divided it into two parts. One we call Earth and the other Moon.

One of our scientists, God; who wanted the people to speak one language, one dialect for all, but could not bring this about. He decided to kill us by destroying our planet, but still, He failed. We were lucky to be on this part, Earth, which did not lose its Water in the mighty blasting away of the part called the Moon.

We, the Tribe of Shabazz, says Allah (God), was the first to discover the best part of our planet to live on: The Rich Nile Valley of Egypt and the present seat of the Holy City, Mecca, Arabia (p. 31)^[1].

[To reiterate]: **"We, the Tribe of Shabazz, says Allah (God), was the First** to discover the best part of our planet to live on: **The Rich Nile Valley of Egypt** and the present seat of the Holy City, Mecca, [in] Arabia." On page 219, he wrote: **Immortality is Now, Here. We are the blessed with [the Eternal One Supreme Being called "El Shaddai," "Yahweh," "God," or "Allah" in the West.]**

According to Messenger Elijah Muhammad's written statements, the order of our planet's best parts to live on was twofold; namely, 1) ***The Rich Nile Valley of Egypt constitutes the entire stretch of Kamite (Black) Nilotic—Hapy/Hapi Valley—Æthiopian Kemet in East Africa: From its Sources in the Great Lakes South of the Equator or Upper Æthiopia Smai Tawy Ta-Mery Kemet to the Delta of the Mediterranean Sea or Lower Æthiopia Smai Tawy Ta-Mery Kemet.*** And 2) **The Present Seat of the Holy City, Mecca in the Arabian Peninsula, after 66 Trillion Years BCE.**

What is the Source of the Honorable Messenger, Elijah Muhammad's **Cosmology, and Concept of Self-Creation?**

Ancient Kamite Nilotic—Hapy/Hapi Valley—Æthiopia Kemetic Divine Mind's astrological/zodiacal/astronomical Kamite Æthiopia Kemetic Zodiac Bible represents our earliest first known celestial states or constellations in our known Milky Way Galaxy.

It arose from Night's direct observations—nTr Netjer Neb-er-Tjer Sut Ur Heka—and Day—nTr Neb-er-Tjer Hru Ur Heka's—sky stargazing adventures, revolutions, and evolutions for thousands upon thousands of thousands of years that continues today at NASA: The National This National Aeronautics and Space Administration Institution is an Independent Agency of

This ancient Solar Mythos' skywatching observation became the spiritual and divine mind passion that gave birth to our astro-mythological sacred stories based on Ours's processes: The Celestial Kingdom States of the Heavens within our known Milky Way Galaxy.

Our Kamite Æthiopia Kemetic Zodiac Bible came forth to illustrate why and how the holy stories captured and contained in The Holy Bible, and The Holy Qur'an arose from within Our Ancient Kamite Æthiopia Smai Tawy Ta-Mery Kemet-Egypt-Africa-Eurasia-Arabia-Mesopotamia-All India-Asia's Kemetic Divine Mind.

*All our sacred stories came forth from **Our Ritual of The Reu Nu Pert Em Hru Ur Heka In-Persons**. Arising from within the holy Kamite priestesses and priests, in-persons, the priestesses, and priests became the composers and writers of our Antediluvian Biblical World's Holy Books. Those priestesses and priests set forth, illustrated, and described our holy stories in our Kamite Æthiopian Kemetic Zodiac Bible in Ours, The Celestial Kingdom States of The Heavens.*

Hence, in summation: In our western cultures/civilization, our Kamite Æthiopia Kemetic Zodiac Bible's Holy Stories/Sacred Stories are now called The Holy Bible and The Holy Qur'an.

First, know that nTr Netjer Atum Huhet-Huhi Ur Heka's Cosmic Planet Earth with Water and the Moon is Our Cosmic Planetary School: The Symbolic Tree of The Divine Cosmic Knowledge of The Good and The Evil that operates on Our Cosmic Planet Earth with Water and the Moon: The Good and Evil's Twins On Cosmic Planet Earth with Water and the Moon plays out in Our Ausarian Family Cosmic Drama.

THE "X" is a Sacred Monogram of nTr Nswt Bjtj Atum Ausar Amsy Heru Ur Heka's Mesu Heru Ur Heka in Nswt Bjtj Atum Ausar Amsy Heru Ur Heka's Sacred Signs, Symbolism, and Types. Nswt Bjtj Atum Ausar Amsy Heru Ur Heka came forth from within His Mesu Heru Ur Heka. X=10, the number of the Divinities' perfection and completeness.

In ancient Kamite Nilotic—Hapy/Hapi Valley—Æthiopia Kemetic African Kemetic spiritual cultures like Kush (also spelled Kash and Cush) and Kemet (Egypt), in the Solar Mythos, Nswt Bjtj Atum Ausar Amsy Heru Ur Heka's X symbolizes his coming forth from Amun-Khmn's Group of 8 that the Gnostic called "The Ogdoad's," four essential manifested components: (1) nTr Ptah-Neb-Ankh Ur Heka, (2) nTr Amun + Amunet Ur Heka, (3) nTr Atum-Re/Ra or Tm-Re/Ra Ur Heka, and (4) nTr Re/Ra-Hrukhty Ur Heka.

These four essential components came forth fused and crystallized to symbolize eternal life's solar essences within Nswt Bjtj Atum Ausar Amsy Heru Ur Heka's Mesu Heru Ur Heka In-Person on Earth with Water and the Moon + Atum Huhet-Huhi Ur Heka's Seven Planetary Life's Essences that influence All Organic Life on Our Cosmic Planet Earth with Water and the Moon.

In ancient Kemet (Egypt), this X came forth shown in Nswt Bjtj Atum Ausar Amsy Heru Ur Heka's hands: The right hand placed over the left hand, set in the center of his chest. Here, it symbolized that Nswt Bjtj Atum Ausar Amsy Heru Ur Heka's Divine Spiritual Sevenfold Atum-Solar-Soul Spark constitutes Atum Hru Iu-em-Hetep Ur Heka, Atum Hru Iusa Ur Heka, Atum Hru Iusu Ur Heka, or Atum Hru Jesus Ur Heka.

Moreover, seen is the X in Nswt Bjtj Atum Ausar Amsy Heru Ur Heka's specters of power and royal clothing. Most importantly, this X stands for the Unification of the nTr: Netjert (Feminine) + Netjer (Masculine) Cosmic Creative Principles Unified In-Person.

Nswt Bjtj Atum Ausar Amsy Heru Ur Heka's X also signifies and symbolizes that Nswt Bjtj Atum Ausar Amsy Heru Ur Heka came forth possessing Atum Amsy Hru Iu-em-Hetep Ur Heka, Atum Amsy Hru Iusa Ur Heka, Atum Amsy Hru Iusu Ur Heka or Atum Amsy Hru Jesus Ur Heka's Mesu Hru Ur Heka's Etherealized, Spiritualized, Justified, and Glorified Atum-Solar-Soul embodied already fused and

crystallized within Nswt Bjty Atum Ausar Amsy Heru Ur Heka In-Person on Cosmic Planet Earth with Water and the Moon.

Atum Amsy Hru Iu-em-Hetep Ur Heka, Atum Amsy Hru Iusa Ur Heka, Atum Amsy Hru Iusu Ur Heka, or Atum Amsy Hru Jesus Ur Heka, the Deity of Atum Huhet-Huhi Ur Heka's Divine Light within Nswt Bjty Atum Ausar Amsy Heru Ur Heka's Physical embodiment on Earth with Water and the Moon becomes Crucified Physically on Earth, Spiritually Resurrects from its corpse, Spiritually is Reborn a fully Etherealized, Spiritualized, Justified, and Glorified Divine Human Being that Ascends to the Sahu Constellation to be One within the Companies of the Glorified Sahu-Akhu Ur Heka Divine Human Beings—called the Divine Watchers: "The Glorified Ones"—within Ours, The Celestial Kingdom States of the Heavens in Our Milky Way Galaxy.

These Galactic Companies constitute the Holy Galactic Companies of the Divine Sahu-Akhu Ur Heka Glorified Divine Human Beings called "The Glorified Ones" in Our Ritual of the Reu Nu Pert em Hru Ur Heka In-Person. These Divine Sahu-Akhu Ur Heka Glorified Divine Human Beings constitute the Divine Watchers' Companies. These Holy Galactic Sahu-Akhu Ur Heka Divine Human Beings's Etherealized, Spiritualized, Justified, and Glorified Divine Human Beings work to keep the Diabolical Forces of Evil Apopis, also called Apep, Apepi, or Rerek, on Earth and in the Duat balanced; via Our Cosmic Ma'at Ur Heka's Divine Powers; called The Good.

Our Universal Theocracy's Orders of the Afro-Asians (Kamite Hebrews-Israelites, Kamite Semites, and Semite-Jews (Iu singular and Ius plural) = the Semite-Ius = the Semite-Jews) brought this tradition out of Kemet (Egypt). In these Orders, the **X** symbolizes the nꜥr Netjert (Feminine) + Netjer (Masculine) Creative Principles Unified within the Deity called the Kamite Hebrews-Israelites' Yahweh/Yah-Vah/Jehovah.

Brought Out of Kemet, and most notably into the Fertile Crescent's lands. In the Fertile Crescent's lands, the Kamite Hebrews-Israelites worked intimately on Initiating the Afro-Asians' Semite-Ius or Semite Jews and the Semite Arabs in the Arabian Peninsula's lands. This work became notable in the United Monarchy of Israel under the rule of King Solomon. In this setting, the Kamite Hebrews-Israelites worked intimately on Initiating the rulers of the Afro-Asians' Semite-Ius or Semite Jews about the arcana of the Kamite Æthiopia Kemeti Zodiac Bible's prophecies concerning Atum Huhet-Huhi Ur Heka's planetary histories.

Monday, March 1, 2021

Later, after the end of King Solomon's reign, something horrific happened to the Kamite Hebrews-Israelites in the Fertile Crescent's lands. Perhaps through planetary changes, the Kamite Hebrews-Israelites in the Fertile Crescent's lands were brought down into bondage and afflicted cruelly by many oppressors and even by the rulers of the Afro-Asians' Semite-lus or Semite Jews and the Semite Arabs throughout the Fertile Crescent's lands and the Arabian Peninsula's lands.

Moreover, Out of Kemet, and seemingly simultaneously connected to events in the Fertile Crescent lands and the Arabian Peninsula's lands, in the Greek lands, the names Atum Amsy Hru Iusa Ur Heka, Atum Amsy Hru Iusu Ur Heka, or Atum Amsy Hru Jesus Ur Heka became changed; it was called the Kristos, Christos, Heracles, Hercules, Hero, Christ, and the Messiah.

These were merely temporal divine kingly or royal titles employed for mundane state purposes. Nonetheless, these titles all derive from Nswt Bjty Atum Ausar Amsy Heru Ur Heka's KRST: Atum Ausar Amsy Hru Krst/Karast/Karest/Krishna/Christ, and Ausar Nswt Bjty Atum Ausar Amsy Heru Ur Heka's Hru Ur Heka's Messu, or Nswt Bjty Atum Ausar Amsy Heru Ur Heka's Mesu Hru Ur Heka.

The Greek letter X's derivation is from the Phoenician letter samekh in the West, meaning "Fish." Fish is the Symbol of Jesus the Christ in the Age of Pisces.

Initially used by the Phoenicians to represent the /s/ consonant (denoting a hard S sound), the Greeks borrowed the samekh around 900 BCE and named it the Greek's **Chi or X**. The Greek's **Chi or X** also signifies the end of something: An entity whose existence is over, past, dead, and gone. This Greek signification of the **X** appears significantly applicable to western cultures disconnection from the Kamite Nilotic—Hapy/Hapi Valley—Æthiopian Kemetic African people's cultures of spirituality.

In the Tenth Century BCE, the Greeks employed this **X Cross** and the divine word Hru = Heru, Horus, or Hero to represent Heracles (Hercules). the Chi-Rho symbol is the early Christian monogram of the Christ. The **Greek letters 'X' and 'P'** were the roots of the word '**Chres**' which means '**Lord.**' Afterward came '**Chrestos**' and finally '**Christ.**'

Later, as a Deity, Heracles became the name the Greeks called **Chi or X**. **Chi or X** is often used to abbreviate the title, Christ, as in the holiday Christmas (Xmas). When fused within a single type of space with the **Greek letter Rho**, it is called the labarum and used to represent Lord Jesus the Christ's person.

Know ThySelf: The Ritual of the Reu Nu Pert Em Hru Ur Heka In-Person

Monday, March 1, 2021

Thus, the Greek's "**Chi-Rho Cross**" = the "**XP**" = the Christ's Christogram Symbol, the Christogram Symbol that stands for the Christ. The essence of this **Chi-Rho Christ's Cross** symbol is Nswt Bjty Atum Ausar Amsy Heru Ur Heka's **X**.

What does **X** mean Biblically? As mentioned above, in the Greek alphabet, **X** symbolizes the letter "**Chi**." **Chi X** is the first letter in the Greek word for Christ.

In the Roman Empire, during the early days of the Christian churches' development, Christians used the letter **X** as a secret symbol to indicate their membership in the church to others. This Christian's sign, or marker, can also be understood as a "crossing over" to another dimension: A transcendence, transformation, or transmigration.

Later, in the Roman Empire, it became a monogram for the Christ and the Christs' (plural) followers. **X** in Christendom represents the Cross of the Crucified Christ himself. Many European researchers, scholars, and scientists (including Biblical Christian researchers, scholars, and scientists) have identified Heracles or Hercules as none other than an emblem of Jesus the Christ.

This scholarly acknowledgment reveals the known African origin of the word, Christ. Bear in mind that Heracles, Hercules, Hero, Christ, and Messiah—Messu—are all titles directly derived from Atum Amsy Hru Ur Heka or Amsy Hru Ur Heka, the Elder. Hence, these Greeks' names derive directly from terms that originated in the Kamite Nilotic—Hapy/Hapi Valley—Æthiopian African Kemetic spiritual cultures. Hence, all these Sacred Signs, Symbols, Christograms, and Types that came forth derives directly from Nswt Bjty Atum Ausar Amsy Heru Ur Heka's Krst Anointed Mummy: This Divine Royal Krst: Nswt Bjty Atum Ausar Amsy Heru Ur Heka—in his many other names and titles—represents Our Kamite Nilotic—Hapy/Hapi—Æthiopia Kemetic African World's Original and the First Entire World's Known Symbolized Divine Krst/Karast/Karest/Christ in the Sahu's Kingdom of Heaven.
