Closing

Lift Every Voice and Sing

Lift ev'ry voice and sing 'Til earth and heaven ring

Ring with the harmonies of Liberty

Let our rejoicing rise High as the list'ning skies

Let it resound loud as the rolling sea

Sing a song full of the faith that the dark past has taught us / Sing a song full of the hope that the present has brought us / Facing the rising sun of our new day begun /

Let us march on 'til victory is won

God of our weary years God of our silent tears /

Thou who has brought us thus far on the way

Thou who has by Thy might Led us into the light / Keep us forever in the path, we pray Lest our feet stray from the places, our God, where we met Thee / Lest, our hearts drunk with the wine of the world, we forget Thee / Shadowed beneath Thy hand May we forever stand True to our God True to our native land

Let us march on 'til victory... March on 'til victory....March on 'til victory is won
