Ancestor Spirits, won't you come by here;
We need your presence near.

One mind one power making all things clear;
Ancestor Spirits, won't you come by here?
Somebody's praying Spirit, come by here.
Somebody's singing Spirit, come by here.

Closing

Lift Every Voice and Sing

Lift ev'ry voice and sing, till earth and heaven ring, ring with the harmonies of liberty.
Let our rejoicing rise, high as the list'nng skies, let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us, Sing a song full of the hope
that the present has brought us. Facing the rising sun of our new day begun,
let us march on till victory is won.

God of our weary years, God of our silent tears, Thou who hast brought us thus far on the way;
Thou who hast by Thy might, led us into the light, keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we met Thee, lest our hearts, drunk with the
wine of the world, we forget Thee.
Shadowed beneath Thy hand, may we forever stand, true to our God, true to our native land. Let
us march on 'til victory... March on 'til victory...March on 'til victory is won.
